REGISTRATION PROCESS

STEP 1: PRE-APPROVED CLASSES

New for the Fall 2025 season! All families who danced with us in the 2024/2025 season will receive a login and password for our new parent portal. From there, parents can see their dancer(s)' pre-approved classes and other available classes before registration opens.

For families new to the studio, they can create an account on our portal to see a list of their pre-approved classes (highlighted in yellow) and all available classes for their dancer(s). New dancers who would be joining RAD Grade 3 ballet - RAD Advanced 1 ballet should email the studio for access to register in these classes.

STEP 2: REGISTRATION OPENS

Registration opens for the Winter Term on November 24, 2025. Simply log into your portal and select the classes you would like to register for, then submit to pay online to reserve your dancer's spot. The system is now automated and self-serve, so there won't be a wait between registering for classes and confirming your schedule for the coming year.

If you would like to start a payment plan, please confirm your class selections and contact the studio. Do not pay online yet.

STEP 3: GET READY FOR DANCE!

Once you've received your class confirmation, you can check out your weekly calendar on our parent portal. Also on the portal: update you and your dancer(s)' contact information and view all communications from the studio that have been sent to you (perfect for if you accidentally lost an email!). Our dress code is available on our website.
